bio

yapacc has been released by more than 80 labels.

he remixed for villalobos, italoboyz, 2raumwohnung, and many more.

besides he is a member of **narcotic syntax** (perlon/wir).

he performs with vocalists like **robert conroy** (misty roses), fadila und flora paar.

yapacc's organic sound describes a wide circle hitting minimal funk & melodic techno at the same time.

yapacc's productions are always aiming at the attainment of the `emotional maximum`.

yapacc played international clubs like dachkantine, panoramabar, bar 25, kater holzig, arena club, fabric london, cruzifix lane, studio 80, bar americas, monza, u60311, arm, airport, doornrosje, harry klein, flex, club 55, fuse club, batofar, colors studio, club clapper, propaganda club and mix club.

current releases are available on perlon, brise, underyourskin, release sustain, escapism, neim records, fantastic friends and apparel.
